Date of review of checklist:	□ CPhS □ CTS		

Both the student and the advisor should review this form for each semester of attendance.

Before the conclusion of the final semester, the student must complete the "Intent to Complete Certificate" form and submit it along with this course checklist (updated) plus any petitions, waivers, etc. The form and supporting documentation must be submitted to the Registrar by the specified deadline.

Program Requirements: Students must complete a minimum of four 3.0 credit courses, three of which must be from DSPT. Two courses of 1.5 units each may substitute for a course of 3.0 units. Any of these courses may be taken for either a letter grade or Pass/Fail. While students enrolled in the Certificate program may audit courses with permission of the instructor, these do not count towards the certificate requirements. List below all courses taken for credit, along with total units for each.
